New Franken, Wisconsin, USA – July 1, 2019

## **Dental Health Products, Inc. Announces Acquisition of Southwest Medical and Dental, Inc.**

Dental Health Products, Inc. (“DHPI”), one of the nation’s largest and leading dental supply, equipment, and practice solutions distributors, announces the acquisition of Southwest Medical and Dental, Inc. (“SWMD”). SWMD is a leading equipment supplier to the oral surgery and general dental markets. Based in Dallas, Texas, SWMD will continue to operate as a division of DHPI. The location will also serve as DHPI’s 8<sup>th</sup> full-service branch. The 10,000 square foot facility is located at 406 W. Mockingbird Lane, Dallas, Texas 75247. The SWMD oral surgery business unit will service clients nationwide and the DHPI general dental unit will service the Dallas Metroplex and surrounding region.

“We are incredibly proud and fortunate to lead SWMD into its next phase of expansion. Having SWMD in our portfolio allows us to grow our oral surgery lines as well as establish a new branch location in Dallas, TX. The opening of our newest branch further strengthens DHPI’s position as an industry leader and ensures that our clients will continue to have expanded access to the industry’s top dental supplies, equipment and technology solutions”, said Steve Desautel, DHPI’s Vice President of Sales and Marketing. He further comments, “We are an independently owned, family business with a strong growth history emphasizing customer centric values. We will continue to grow by focusing on our core values while sourcing value opportunities to support our clients’ growth objectives. All of this would not be possible without the hard work and dedication of our experienced team members. The SWMD brand serving oral surgery and general dentistry is stellar. We are excited to welcome the entire SWMD team to the DHPI family.”

“SWMD was built on quality and service. Being part of DHPI ensures that legacy”, said Henry Krybus and Scott Perry, Founders and Co-Owners of SWMD. “We are excited about the new investments into SWMD and the expansion plans taking us into the future.”

The Dallas, TX location will support an equipment showroom, accommodate small equipment and handpiece repair, a continuing education learning center, client office design, architecture, and consulting.

DHPI has been servicing the dental industry for nearly 30 years offering a full line of dental supplies, dental equipment, and dental solutions.
