NEW FRANKEN, WI – March 13, 2018

Dental Health Products, Inc. (DHPI) announces new partnership with SAESHIN Precision, Co. LTD.

For the past 30 years, SAESHIN has grown consistently as a technology leader making them one of the best precision technology companies in the medical device field.

SAESHIN advanced its technical development plan to include devices like high speed BLDC motors, subminiature reducers, high speed and super precision spindle fields. As a result, SAESHIN has become the number one firm in the domestic market and now exports dental implant engines and handpieces (TRAUS, STRONG) to 120 countries around the world.
