- 6 editorial updates

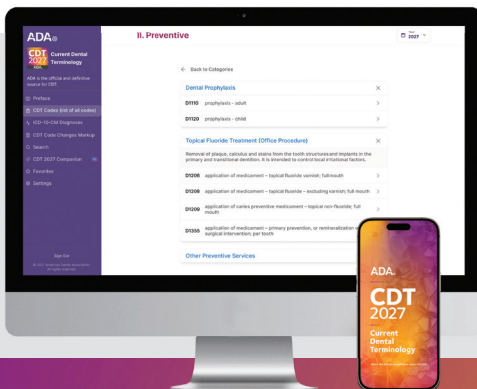

CDT 2027 and Coding Companion Kit with App

ADA Product #K227BTi | 2 spiral-bound books with e-books + app

Retail \$234.95

The **CDT 2027 Coding Kit** is the go-to resource for dental coding professionals at every level. Designed to support greater coding accuracy, efficiency, and confidence, the Coding Kit helps streamline claims preparation and reimbursement while delivering trusted guidance from the American Dental Association.

- **Built for efficiency** – Quickly find the codes you need, organized by category of service with complete descriptors and numeric and alphabetic indexes. Also includes ICD-10-CM codes for dental diseases and conditions.
- **Stay current with confidence** – Features a dedicated overview of all 67 CDT code updates for 2027, helping teams stay informed and compliant.
- **Practical guidance for real-world use** – Includes the Coding Companion with 300+ coding scenarios and expert Q&As to support accurate code selection and differentiation.
- **Trusted ADA expertise** – Developed by the American Dental Association, the official and definitive source of CDT

The **all-new CDT 2027 App**, included with the CDT 2027 Kit, enables easy searching of codes, descriptors, keywords and more.

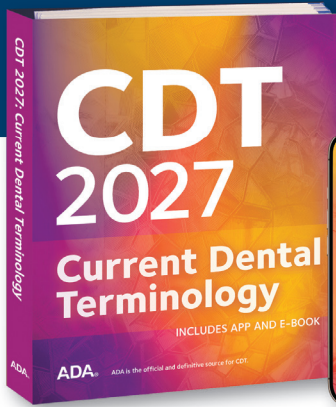

- Use on iPhone, Android, tablet or web-enabled computer
- Includes CDT codes for 2027 and 2026, with complete descriptors
- Includes ICD-10-CM codes applicable to dentistry
- **NEW!** CDT Companion chatbot answers questions about coding scenarios
