

Dental Chairs

ALL THE COMFORT, ALL THE FEATURES, BUILT TO LAST

Midmark dental chairs are designed to offer unrestricted clinician access to the patient, and unsurpassed comfort. The Ultra series features our patented, integrated-armrest chair-back design for superior patient support and unencumbered ease of entry and exit. Or surround your patients with the luxury of Elevance[®] offering sophisticated styling, optimal patient access and exceptional comfort.

- SerenEscape[®] heat and massage system (Elevance Chair Only)
- Ultratrim[®] chair back 40% thinner
- 5-year limited warranty

ELEVANCE: FEATURE-RICH LUXURY AND COMFORT YOUR PATIENTS DESERVE

Luxurious styling in the most feature-rich chair we offer says everything about how you practice. The sophisticated design provides exceptional patient access while offering all the high-end functionality you expect in your operatory.

ULTRACOMFORT: OPTIMAL PATIENT COMFORT

The UltraComfort[®] Dental Chair offers excellent patient comfort. With its fully contoured back and specially designed lumbar support, the UltraComfort Chair will keep patients supported and comfortable through even the lengthiest of procedures.

ULTRATRIM: ULTIMATE IN PATIENT ACCESS

The Midmark UltraTrim Dental Chair offers exceptional clinician access to the patient, with a chair back that is narrower and 40% thinner than our standard chair back while still accommodating a wide range of body types.

MIDMARK STOOLS

Midmark stools are engineered to deliver premium styling and exceptional comfort, and ergonomically designed to address musculoskeletal pain common in dentistry.

Optional armrests for the Dentist's Stool offer support for elbows in the neutral shoulder position to reduce fatigue of the neck and shoulder muscles.

Dentist's Stool

Assistant's Stool
