| 8.1     | Exposure limit values                   | PEL: Not established. TLV: Not established.                                                                                                                                                                                                                                                                                                                               |  |
| 8.2     | Exposure controls                       |                                                                                                                                                                                                                                                                                                                                                                           |  |
| 8.2.1   | Occupational exposure controls          | No special equipment required under normal conditions of use of this product in the quantity provided.                                                                                                                                                                                                                                                                    |  |
| 8.2.1.1 | Respiratory protection                  | None required. Good general ventilation is sufficient to control any airborne vapors from uncured material.                                                                                                                                                                                                                                                               |  |
| 8.2.1.2 | Hand protection                         | No special requirements. The usual surgical gloves worn by dental staff will<br>limit contact with uncured material.                                                                                                                                                                                                                                                      |  |
| 8.2.1.3 | Eye protection                          | No special requirements other than the usual safety glasses worn by dental staff.                                                                                                                                                                                                                                                                                         |  |
| 8.2.1.4 | Skin protection                         | No special requirements. Good personal hygiene and safety practices and<br>wearing a lab coat should protect dental staff from unnecessary exposure<br>to uncured material.                                                                                                                                                                                               |  |
| 8.2.1.5 | Other controls                          | Emergency eye wash fountain should be available. Wash hands after use.                                                                                                                                                                                                                                                                                                    |  |
| 8.2.2   | Environmental exposure controls         | Cure material before disposing. To the best of our knowledge, cured material is inert. Follow all government regulations.                                                                                                                                                                                                                                                 |  |
| 9.0     | Physical and Chemical Properties        |                                                                                                                                                                                                                                                                                                                                                                           |  |
| 9.1     | Appearance / Color                      |                                                                                                                                                                                                                                                                                                                                                                           |  |
