MSDS Identification Number	Date Issued	Issued By	Emergency Phone	<b>IV. Fire, Explosion and Reactivity Information</b>			
55100 & 65100	February 2005	OM	(805) 484-1051	Flash Point: (with test method) Open cup - none		Flammable (Explosive) Limits V/V % LEL: N.D. UEL: N.D.	
<b>I. Product Identification:</b> Gingi-Wet & Cohere Pre-Impression Release Agent				Extinguishing Media		Water fog, CO <sub>2</sub> , Dry chemical or foam	
Chemical Name: Simethicon Emulsion			Chemical Family: Silicone		Special firefighting procedures: Self contained breathing apparatus and protective clothing.		
Trade Name: Medical Grade Emulsion			Formula:		Unusual fire and explosion hazards:		
<b>II. Hazardous Constituents:</b>				General Reactivity: Stable			
Constituent	Percent	CAS Number	NIOSH RTECS Number	OSHA PEL	ACGIH TLV	Incompatibility (materials to avoid):	
Med. Grade Emulsion	6.7 %					Hazardous decomposition products: Silicon Dioxide, Carbon Dioxide and Trace Carbon products.	
Flavoring	.2 %						
<b>III. Physical Data:</b>				<b>V. Health and Hazard Information:</b>			
Freezing Point: N/A		Vapor Pressure (mmHg): N/A		Primary	Inhalation: Slight irritation to respiratory passages if inhaled.		
Melting Point: N/A		Vapor Density (AIR-1): N/A		Routes Of Exposure	Ingestion: X		
Boiling Point: Above 100°		Specific Gravity (H <sub>2</sub> O=1): 1+			Skin: X		
Sublimes: N/A		Solubility In Water: Greater than 90 %			Eyes: May cause temporary eye irritation.		
Evaporation Rate: Less than 1		% Volatiles By Volume: N/A		Toxicity	Non Toxic		
Appearance and Odor: Gingi-Wet : Yellow liquid. Cohere Pre-Impression: Blue, Lemon scented liquid.				Effects of Overexposure		<b>Acute:</b>	
						<b>Chronic:</b> No known adverse chronic health effects.	
				Carcinogenic References			
				Medical Conditions Aggravated by Exposure			

<b>V1. Emergency and First-Aid Procedures</b>		<b>IX. Special Precautions</b>	
Inhalation	Non toxic, Slight irritation.	Handling Precautions	Use safety goggles for waste disposal.
Ingestion	Non toxic	Storage Precautions	Protect from freezing.
Skin	Flush with water.	<b>X. DOT Shipping Requirements</b>	
Eyes	Flush with water if irritation persists, seek medical attention.	Shipping Name	None
<b>VII. Industrial Hygiene Control Measures</b>		Identification Number	None
Ventilation		Hazard Class	None
Respiratory Protection	Dust mask recommended.	Labels Required	None
Protective Gloves		<b>Product Hazard Warning Label</b>	
Eye Protection	Goggles	<b>Caution:</b> None	
Environmental Surveillance	Protect from freezing	<b>Precaution:</b> None	
<b>VIII. Environmental Protection Information</b>			
Steps to be taken if material is released or spilled.	Use protective safety goggles for waste disposal. Use absorbent material to collect and contain spill.		
Waste Disposal Method.	In accordance with all local, federal and state regulations.		
Environmental Hazards
