

## Safety Data Sheet

### Section 1: Identification

**Product Name: Quick-Stat™ FREE Liquid**

**Product Use:** Hemostatic liquid intended to be used with all types of retraction cord and cotton pellets to aid in gingival retraction and hemostasis.

**Manufacturer:** Inter-Med, Inc. / Vista Dental Products

**Address:** 2200 South St. Suite A, Racine, WI 53404

**Phone:** (877) 418-4782 **Fax:** (262) 636-9760

**24 HR. Emergency Telephone Number CHEMTREC (North America) :** 800-424-9300

**24 HR. Emergency Telephone Number CHEMTREC (International) :** +1 (703) 527-3887

**Prepared:** 01/31/2017

### Section 2: Hazard(s) Identification

|                          |  |
|--------------------------|--|
| Acute & Chronic Hazards: | Irritating to eyes and skin. Ingestion may cause vomiting, diarrhea, hemolysis, kidney and liver damage. |
| Risk Phrases:            | R36/38: Irritating to eyes and skin  |
| Safety Phrases:          | S24: Avoid contact with skin<br>S37: Wear suitable gloves  |

### Section 3: Composition/Information on Ingredients

| Chemical Entity (Components) | CAS No.    | Proportion    |
|------------------------------|------------|---------------|
| Aluminum Sulfate, USP        | 10043-01-3 | 22.5% – 27.5% |

### Section 4: First-Aid Measures

|                       |  |
|-----------------------|--|
| Inhalation:           | N/A  |
| Ingestion:            | Do not induce vomiting. Seek medical assistance.                                     |
| Skin:                 | Flush well with water for at least 15 minutes.                                       |
| Eye:                  | Flush well with water for at least 15 minutes.                                       |
| First Aid Facilities: | Seek Medical assistance for further treatment, observation and support if necessary. |

### Section 5: Fire-Fighting Measures

|                                      |  |
|--------------------------------------|--|
| Extinguishing Media:                 | Suitable extinguishing media for the surrounding fire should be used.  |
| Specific Hazards:                    | None   |
| Precautions in connection with fire: | Use of self contained breathing apparatus is recommended.<br>Wear protective clothing to prevent contact with skin and eyes. |

### Section 6: Accidental Release Measures

|                       |                              |
|-----------------------|------------------------------|
| Emergency Procedures: | NA                           |
| Clean Up Procedure:   | Clean area with soapy water. |

### Section 7: Handling and Storage

|           |                                      |
|-----------|--------------------------------------|
| Handling: | Use original container.              |
| Storage:  | Store in cool, well ventilated area. |

### Section 8: Exposure Controls/Personal Protection

|                         |                           |
|-------------------------|---------------------------|
| Exposure Limits:        | Not determined            |
| Respiratory Protection: | N/A                       |
| Eye Protection:         | Safety glasses/goggles    |
| Hand Protection:        | Protective gloves         |
| Engineering controls:   | Standard room ventilation |

### Section 9: Physical and Chemical Properties

|                          |   |
|--------------------------|---|
| Appearance               | Clear, colorless or slightly amber semi-viscous liquid. |
| Odor                     | Mint  |
| pH                       | Not determined  |
| Vapor Pressure           | Not determined  |
| Vapor Density            | Not determined  |
| Boiling Point            | Not determined  |
| Freezing / Melting Point | Not determined  |
| Solubility in Water      | Aluminum sulfate is highly soluble in water.            |
| Specific Gravity         | Not determined  |

|  |  |
|--|--|
| Flash Point                                  | Not determined   |
| Flammability                                 | N/A  |
| <b>Section 10: Stability and Reactivity</b>  |  |
| Chemical Stability:                          | Stable under ordinary conditions of use and storage                                      |
| Conditions to Avoid:                         | High Heat  |
| Incompatible Materials:                      | None known   |
| Hazardous Decomposition Products:            | None known   |
| Hazardous Reactions:                         | None known   |
| <b>Section 11: Toxicological Information</b> |  |
| Hazardous Ingredient:                        | Aluminum Sulfate   |
|  | LD <sub>50</sub> (orally) MICE: 24000 mg/kg  |
| Routes of Exposure:                          | Refer to Section 4 of MSDS   |
| <b>Section 12: Ecological Information</b>    |  |
| Ecotoxicity:                                 | No known effects   |
| Persistence and Degradability:               | No information found   |
| <b>Section 13: Disposal Considerations</b>   |  |
| Disposal Method and Containers               | Empty containers may be disposed of in waste containers.                                 |
| Special Precautions                          | Disposal should be carried out in compliance with federal, state, and local regulations. |
|  | To minimize exposure, refer to section 8 (exposure controls/personal protection).        |
| <b>Section 14: Transport Information</b>     |  |
| Not a dangerous good.                        | Not regulated  |
| Hazchem code:                                | None allocated   |

## Section 15: Regulatory Information

|                                      |  |
|--------------------------------------|--|
| Precautionary Phrases:               | For professional in-office use only.<br>Keep out of reach of children.             |
| Poison Schedule:<br>AICS (Australia) | None allocated<br>All ingredients are listed                                       |
| Note:                                | Refer to applicable international, national, and local regulations and provisions. |

## Section 16: Other Information

**Disclaimer:** The information above is believed to be accurate and represents the best information currently available to us.
