

Status: 12.01.2004

Page : 1/6

Trade Name

**Megatray**

---

**1. Identification of the substance/preparation and of the company**

Information on the product:

Trade name

Megatray

Information on the manufacturer:

MEGADENTA Dentalprodukte GmbH

D-01454 Radeberg, Germany

Phone: 03528/ 4530

Fax : 03528/ 45321

Information provided by:

Phone: 03528/ 45314

Emergence telephone:

03528/ 45311

---

**2. Composition/ information on ingredients**

Composition of different acrylates, vaseline, glass pearls, starter for polymerization and admixtures

---

**3. Hazards identification**

special hazards informations for human and environment

not applicable

---

**4. First aid measures**

Trade Name

**Megatray**

---

**5. Fire- fighting measures**

Suitable extinguishing media

CO<sub>2</sub>, powder waterspray

Unsuitable extinguishing media for safety reasons

water jet

Special protective equipment for fire fighting

not applicable

---

**6. Accidental release measures**

Precautionary measures related to people

not applicable

Environmental protective measures

not required

Methods of cleaning/ adsorption

pick up mechanically, cure in light and waste

---

**7. Handling and storage**

Handling

Instructions on safe handling

No special measures necessary.

Information on fire and explosion protection

No special measures necessary.

Storage

Requirements for storage areas and containers

Keep out of light. Not above 20°C.

Together storage instructions

Not required

Further informations about storage

not required

Status: 12.01.2004

Trade Name

**Megatray**

---

### **8. Exposure controls/ personal protection**

Additional informations about shaping of technical constructions  
no further informations, see section 7.

Exposure limits  
none

Personnel protection  
no specific recommendations

General protective measures  
Keep common hygiene for the job.

Breath protection  
not required

Eye protection  
When treat the cured material use safety glasses.

Body protection  
Use common industrial safety clothing.

---

### **9. Physical and chemical properties**

Appearance

Form - paste  
Color - white-grey, pink, blue  
Odour - typical

Data relevant to safety

Changes in physical state

Melting temperature	• - 20°C
Boiling temperature	• 250°C
Flash point	150°C (DIN 51758)
Ignition temperature	not determined
Self inflammation	no

E.C.Safety Data Sheet (91/155/EC)	MEGADENTA GmbH Dentalprodukte
Trade Name <b>Megatray</b>	Status: 12.01.2004 Page : 4/6
<hr/> <b>9. Physical and chemical properties (continued)</b>  Danger of explosion No danger of explosion.  Explosion limit not applicable  Vapour pressure Not determined  Density 1.75 g/ccm  Solubility in water Practically insoluble  pH-value not applicable	
<hr/> <b>10. Stability and reactivity</b>  Thermal decomposition No decomposition when used as directed.  Hazardous reaction None, slowly polymerization when lighting incidence.  Hazardous decomposition products No when used as prescribed.	
<hr/> <b>11. Toxicological information</b>  Acute oral toxicity (LD 50) • 5000 mg/kg Species rat Method OECD 401  Skin irritation Non-irritant Length of exposure: 4h Species rabbit Method OECD 404
