

Safety Data Sheet

1. Product Identification

Product Name: Canker Cover

Manufactured by: Formulation Technologies, Inc.
571 Armstrong Way, Oakdale, CA 95361
In case of emergency: 209-847-0331

Distributed by: DenTek Oral Care, Inc.
307 Excellence Way, Maryville, TN 37801
In case of emergency: 800-4DENTEK (433-6835)

Use: temporary relief of pain associated with canker sores in the mouth; adults and children age 5 and older.

Appearance: Orange and White bi-layer tablet.

2. Hazards Identification

Most important hazards: This product does not contain hazardous chemicals.

Specific hazards: No information is available.

3. Composition/Information on Ingredients

Substance	CAS number
Annatto	1393-63-1
Carbomer 941	9003-01-4
Hydroxypropyl Cellulose	9004-64-2
Menthol Crystal	2216-51-5
Polyvinylpyrrolidone	9003-39-8
Silicon Dioxide	7631-86-9
Xylitol	0087-99-0
Carnilite Mineral Blend	NA
Citrus Oil	NA

4. First Aid Measures

Ingestion: Drink plenty of water. If any discomfort persists, obtain medical attention.

Inhalation: Remove victim to fresh air. If breathing is difficult or if any discomfort persists, obtain medical attention.

Skin contact: Wash with soap and water.

Eye contact: Flush with clean water. If irritation persists obtain medical attention.

5. Fire Fighting Measures

Fire and Explosion hazard: None known.

Hazardous decomposition products: None known.

Stability: Stable.

Extinguishing media: Use agents suitable for type of surrounding fire.

6. Accidental Release Measures

Spills: Sweep or vacuum up spills and place in a suitable container. Dispose of in accordance with federal, state and local requirements.

7. Handling and Storage

To preserve quality, store in tightly closed containers free of excessive heat, moisture, light and air.

Observe all federal, state, and local regulations when storing this substance.

Store away from incompatible substances.

8. Exposure Controls/Personal Protection

No exposure limits established.

9. Physical and Chemical Properties

Appearance: Orange and White bi-layer tablet.

Odor: Characteristic of Menthol.

Solubility: Soluble in water.

10. Stability and Reactivity

Stable under ordinary conditions of use and storage.

11. Toxicological Information

Toxicity to Animals: None known.

Toxicity to Humans:

Ingestion: None known.

Inhalation: May cause irritation of mucous membranes.

Skin contact: May cause minor skin irritation.
Eye contact: Direct contact can cause slight irritation.
Carcinogenicity: No information available.

12. Ecological Information

Not available.

13. Disposal Considerations

Dispose of as normal solid waste in accordance with federal, state, and local requirements.

14. Transportation Information

Not a DOT controlled material (United States).

15. Regulatory Information

No special regulatory information available.

16. Other Information

The information above is believed to be correct. All information and instructions provided in the Safety Data Sheet is made with no warranty and are based on the current state of our knowledge.
