NEW FRANKEN, WI—December 27, 2010. Dental Health Products, Inc. (DHPI) is pleased to announce the addition of Ray Barron to its sales management team. Ray joined DHPI this past September as the new California Branch Manager. He brings over 20 years of experience in sales, technical training and management to the team.

Prior to DHPI, Mr. Barron worked as a sales consultant, equipment technical trainer, and branch manager in the dental and medical industries. "Ray's experience in so many different areas of the dental industry makes him uniquely qualified to take on the role as our California Branch Manager," states Steve Desautel, Vice President Marketing & Sales.

Dental Health Products, Inc. is a full-service distributor of dental supplies and equipment with two distribution warehouses and six full service branch locations. DHPI is considered one of the top dental distributors in the U.S. It offers full-line equipment sales, installation and service, hand-piece and small equipment repair, office design, digital equipment and integrated practice management software, inventory control products, and personalized account management.
