NEW FRANKEN, WI. – Dental Health Products, Inc. Blue Sky Members gathered January of 2009 at Lambeau Field for a day of festivities and celebration in honor of their outstanding sales achievements. This annual event recognizes DHPI Account Executives achieving sales of one million or greater within the year. It is a day-long celebration starting with breakfast, then awards ceremony, lunch, round table discussions, guest speakers, activities and finally ending with cocktails and dinner. This year's key note speaker was Green Bay Packer's LeRoy Butler. Not only did LeRoy provide an inspirational message to attendees, he also brought copies of his book, *The LeRoy Butler Story... From Wheelchair to the Lambeau Leap*, and signed individual copies for the entire Blue Sky Group.
