NEW FRANKEN, WI— February 17, 2012. Dental Health Products, Inc. (DHPI) is pleased to announce that it has recently been awarded a \$45 million dollar, multi-year contract by the U.S. Department of Defense. DHPI will supply general dental supplies to the Army, Navy, Air Force, Marine Corps and federal civilian agencies through Defense Logistics Agency Troop Support based in Philadelphia, PA. DHPI was selected over 13 other dental distributors because of its experience in servicing Federal government contracts, breadth of product line, pricing and ongoing value.

"We are very pleased and honored to be given the opportunity to serve the military's dental supply needs. We have a top-notch government sales team that works hard every day to keep and earn their trust. Congratulations to our Federal Government sales team on securing this award," stated Steve Desautel, Vice President of Sales and Marketing.

DHPI has served its customers for over 21 years and is considered one of the top dental distributors in the U.S. In addition to servicing the Federal, State, and Municipal governments and other not-for-profit corporate accounts, DHPI offers full-line merchandise and equipment sales, installation and service, hand-piece and small equipment repair, office design, digital equipment and integrated practice management software sales and support, inventory control products, and personalized account management.
