Dental Health Products, Inc. (DHPI) welcomed over 100 of their team members and over 25 top industry manufacturers to its annual National Sales Meeting, July 22-24 at the KI Center in Green Bay, WI. This year's theme, *It's All About the Customer.Period.* reflects DHPI's mission to create our business structure around the needs and requirements of our invaluable Customers.

As a tradition at our annual National Sales Meeting, we select a Dental Charity or Dental Organization to donate DHPI funds or supplies. This year DHPI selected the Brown County Oral Health Partnership (OHP) in Northeast Wisconsin. Our objective to support this organization is in line with our continued effort to establish strong relationships within our local community. This year, as a team, stuffed animals were built along with child patient dental hygiene packs for the OHP to give to their young patients. These children deserve the smiles OHP Doctors strive to provide in a good faith effort toward their overall oral health. We are confident this contribution will brighten those smiles and help make these necessary dental visits FUN!

The Brown County Oral Health partnership (OHP) is a non-profit organization whose long term objectives are to develop and maintain a coordinated system of dental care and education for uninsured and underinsured children of Brown County. Dental care is provided for students Pre-K through grade 12. The OHP cares for patients at fixed clinics at the Howe Family Resource Center and The Kroc Center in Green Bay, WI. OHP dentists, hygienists and assistants also travel to different schools with mobile equipment up to five days a week to create an in-school dental office. The OHP operates primarily within the Green Bay Area Public School District where more than 60 percent of the enrolled students qualify to receive free OHP services.

On behalf of our annual National Sales Meetings, donations have been earned by the following organizations: 2011: DHPI donated \$5,000 to the Dental Trade Alliance Foundation 2012: DHPI donated \$6,000 to the WDA Mission of Mercy 2013: DHPI donated \$6,000 to the Dental Trade Alliance Foundation 2014: DHPI donated \$6,000 to the NWTC for 2 Hygienists and 2 Dental Assistant Scholarships

Since 1991, DHPI has serviced the dental professional community, whether General Practice or Special Markets Accounts, by partnering with industry leading manufacturers to offer a robust selection of SUPPLIES, EQUIPMENT and SOLUTIONS. DHPI is considered one of the industry's top dental distributors in the U.S. DHPI's mission is "To provide personalized and timely solutions for our healthcare partners so they will continue to exceed their goals and their patients' expectations."
