DHPI means dental supply and equipment!

*****FOR IMMEDIATE RELEASE*****

NEW FRANKEN, WI. March, 2010 – Dental Health Products, Inc. is proud to announce the launch of 35+ new product lines under their private label Health-Tec® Brand. DHPI continues to expand the line in order to meet the needs of their customers for value-priced dental supplies used in dental offices on a day-to-day basis. “We are pleased to expand our value-priced line of DHPI Health-Tec® Brand Products. The newly updated packaging signifies to our customers that DHPI Health-Tec® Brand Products are a great value, especially in today’s economy. We are excited about new product additions coming soon in 2010,” said Steve Desautel, DHPI’s Vice President, Sales and Marketing. “Our customers are very pleased with the increased selection of product, the quality, and especially the price.”

You can find a full listing of Health-Tec® Brand Products along with ordering information and product details at our newly designed website: www.dhpionline.com/health-tec.html
