Dental Health Products, Inc. (DHPI) announces new partnership with Dental Enhancements, LLC.

Dental Enhancements, LLC, founded by Jill C. Obrochta RDH BS, has been providing seminars and workshops to dental practitioners since 1994. Dental Enhancements, LLC is an all-in-one web-based education company specializing in Federal OSHA/GHS & HIPAA Training & Compliance providing comprehensive compliance guidance and training in the (3) Federal Mandates currently required for the dental office setting.

Dental Enhancements, LLC “thoughtfully” created the OSHA made EASY™ & HIPAA made EASY™ brand. The design of their products—paired with their supportive service from a team of dental compliance OSHA & HIPAA experts, is constantly evolving and updating to keep their clients on-trend with current compliance mandates.

For more information, please visit: <https://dentalenhancements.com/>.

“Dental Enhancement’s services are essential for our DHPI reps in assisting dental offices to stay current on OSHA and HIPAA related issues. They are a terrific company and we appreciate their support.” states Steve Desautel, Vice President, Sales and Marketing for DHPI

DHPI has been servicing the dental industry for nearly 30 years offering a full line of dental supplies, dental equipment, and dental solutions.

For more information about DHPI, please call 800-626-2163 or visit: www.dhponline.com
